

## DESCRIPTION

The ideal charging solution comes in the form of the KSIX USB-A wall charger. It offers up to 12 W of power so you can charge all your devices in no time at all. Featuring a USB-A port, it provides maximum compatibility with a wide range of devices. All this is presented in an elegant minimalist design in white, specially designed to blend in perfectly with any space.

### Pure power

The KSIX USB-A wall charger offers fast and efficient charging for a wide range of devices. With up to 12 W of power, it allows you to keep all your devices' battery optimally charged.

### Maximum compatibility

Featuring a USB-A charging port, this wall charger is the perfect choice for charging all your devices. You only need one cable with this connector to charge a wide range of devices, including smartphones, tablets, earphones and more. Simplify your life with a single charger capable of powering all kinds of devices.

### Style and functionality

The KSIX USB-A wall charger features a sleek, minimalist design in white, perfectly adaptable to any style and environment. With an understated design and reduced dimensions, this charger fits discreetly on your bedside table or desk, taking up minimal space.
