

## DESCRIPTION

Live your favorite sport like you have never imagined. Carry your smartphone with you to your sport activities thanks to this Sportband by KSIX. Thanks to its comfortable ultra slim sleeve armband design, it will secure your smartphone perfectly so you can always have it with you. This one is specific for XXL smartphones. Never lose connectivity while you're running. Extremely comfortable thanks to the unique sleeve design and soft breathable material. It incorporates a clear window for easy access to all touch controls. The material is lycra, and it absorbs sweat and keeps your smartphone dry. You can wash it by hand and on the washing machine. It is compatible with big smartphones like Note 3 and similars. Protects your smartphone from scratches and breakage while you are running or practising your favourite sport. Technic specifications Sportband for smartphones XXL, ultra thin. Dimensions: 150 x 85 x 13MM. Compatible with: Smartphones max of 145 x 75 x 8.5 mm. Available in three sizes 1-Size S: Arm contour 24 - 26 cm. 2-Size M: Arm contour 26 - 28 cm. 3-Size L: Arm contour 28 - 31 cm. Accessory made in lycra. Available in different colors It can be washed by hand
