

DESCRIPTION

Main features

- Elegant design
- High-quality steel
- Copper version

High-quality holder for Copper Wallbox Charger products. The Eiffel version is distinguished by a beautiful design.

Eiffel is a perfect holder for Copper by Wallbox. When there is no wall nearby to embed the device, the bracket allows installation anywhere. The Wallbox Eiffel pedestal is a stable base in any parking space for home, business and hotels.

The Eiffel Copper bracket is easy to install and compatible with the Wallbox Copper products.
