

DESCRIPTION

Modular metal display stand 40 x 30 x 160 to promote products from the KSIX range. It incorporates removable hooks to comfortably adjust the surface according to the organisation, size and quantity of products. An elegant and minimalist design display stand with a base to be placed on the floor. The metal structure provides excellent resistance to ensure maximum durability. Suitable for the full range of KSIX products and ideal for permanent or long term promotional campaigns.

Designed for your business

Highlight your KSIX products in your physical shop or point of sale with the KSIX metal display. Specially designed to guarantee high visibility, resistance and elegance in line with your business and products.

Maximum resistance and durability

The KSIX floor stand display has a metal structure for maximum resistance and stability. An ideal item to display your KSIX range of products at your point of sale ensuring maximum durability, making it the best solution to promote permanent or long term campaigns.

Elegant and minimalist design

The best option to present the KSIX product range in a physical shop thanks to a minimalist design. Opt for a simple proposal with white and grey tones that will highlight your products. Also, its size of 40 x 30 x 160 cm will provide great visibility at your point of sale.

Customisable according to your needs

It includes 20 removable 25 cm hooks that can be easily adjusted across the surface of the display according to the desired organisation, size and quantity of products on offer. Benefit from maximum adaptability thanks to which you can modulate the display to suit the needs and stock of your business.
