

## DESCRIPTION

This rain cover is the perfect ally for all those who have an Eiffel Basic Wallbox pedestal compatible with the Wallbox Eiffel pedestal. With this accessory you will be able to install your Wallbox charger in outdoor spaces in an Eiffel pedestal and protect it from the rain in an effective way, thus increasing its durability. This cover is made of galvanized steel, which makes it very resistant and prepared to withstand adverse environmental and meteorological conditions. In addition, it only measures 46 x 32 x 10,5 cm and weighs 1,6 kg. It has a simple installation method by means of the self-tapping screws that come inside the box. If you own a Wallbox charger and you want to install it outdoors, do not hesitate to get this rain cover.
