

DESCRIPTION

Basic training kit consisting of dumbbells and plates of various weights. They are modular and allow for fully customizing your equipment. They are compatible with the Move It sensor, that can monitor your fitness sessions with the App. In addition, it will provide you with great exercise ideas to keep improving.

Connected

It connects to the Move It sensor which, thanks to its mobile App, allows for complete training monitoring as well as an online exercise program.

Multifunctional

Dumbbells and barbells with weights can be built.

Ergonomic

The bars are covered with foam for a firm and comfortable grip.

Non-Slip

Includes ABS anti-slip grip and anti-slip twist locks.
