

## DESCRIPTION

Fast and accurate inflation: The QiCYCLE N3 portable electric air compressor delivers impressive performance and inflates bicycle, motorbike, car and sports tyres quickly and accurately. It reaches pressures up to 150 PSI and is compatible with all standard valves. A digitally controlled air pressure sensor ensures an accuracy of  $\pm 1$  psi. Current air pressure is displayed in real time.

## TECHNICAL SPECIFICATIONS.

Color	<b>Black</b>
Ports	<b>USB Type C</b>

## STRENGTHS

**LIGERO Y COMPACTO**  
0,45KG

Interruptor inteligente  
Toque antaccidental

Evitar el daño del componente interior

**POTENTE VIDA ÚTIL DE LA BATERÍA**  
212500mAh Batería grande  
Carga rápida Type-C

X50 X14 X14 X83

**MOTOR POTENTE**  
VELOCIDAD DE INFLADO RÁPIDA

**27s**

28PSI 35PSI

**2 MODOS de Luz LED**

**AMPLIAS APLICACIONES**  
6 MODOS PREESTABLECIDOS

**Profesional**  
3-150 psi

**Bicicleta**  
30-65 psi

**Motocicleta**  
1.8-3.0 bar

**Coché**  
1.8-3.5 bar

**Patota**  
4-16 psi

El paquete incluye
