

## DESCRIPTION

The Ultrathin Flex Cover is made of premium quality, highly durable TPU. It is lightweight, totally transparent and it adds no volume to the smartphone. Its soft, non-slip texture improves the grip of the phone. It protects the smartphone from bumps and scratches. Thanks to its flexibility, it is very easy to put on and remove. Its design allows for access to all connections, cameras, and ports for the cellphone. KSIX is a brand from Atlantis Internacional. It has the largest collection of accessories designed to make the most of mobile devices. Each product is presented in modern and attractive packaging, which stands out on any shelf. It offers personalized customer services and complete after-sales service.
